SPEAKERS

	<p>Carlos Díaz Chief Sustainability Officer, SVP SAP EMEA South</p> <p>Reporting to the President of SAP EMEA South, Carlos is responsible for helping customers adopt sustainability practices for compliance, efficiency, and innovation. As Chief Sustainability Officer, Carlos leads a team investigating the latest sustainability trends, enabling companies to leverage the "sustainability advantage" or tackle new customers and markets with refreshed, low emissions practices. Before becoming CSO, Carlos held various positions at SAP EMEA South: Chief Innovation Officer, Head of Industries, VP of Sales for Database & Technology, and VP Sales in HR. Before joining SAP, Carlos was the Sales Vice President at Meta4, HRAccess, and Raccoon, based in the USA, Mexico, and Spain. He started his international career at Hewlett Packard. He is an international speaker on Sustainability, Digital Transformation, passionate about Climate Change, and the author of the book "Are you ready for China?".</p>
	<p>José Leitão MD Santander Group</p> <p>José works in Santander Corporate & Investment Banking as Head of ESG Analytics in the Global ESG Solutions team. Previously, José worked in Santander Debt Advisory team and in several roles in Strategy & Business Development both in Madrid and London. Prior to joining Santander, José held corporate finance roles in Enron, National Grid and Jerónimo Martins. José holds a BSc in Economics from Universidade Nova (Lisbon) and a MBA from the Wharton School (University of Pennsylvania).</p>
	<p>Ludovic Reysset Country Managing Director for Danone Portugal</p> <p>Ludovic Reysset is presently the Country Managing Director for Danone Portugal. Originally from France, he has developed his career at Danone with different roles and in the most varied countries including Brazil, Venezuela, Panama, Japan, Italy, France and Portugal. With a Master in Marketing & Sales at ESCEM Business School in France and various other trainings at INSEAD, IMD and BERKELEY. He also serves as Vice President for GRACE association - responsible companies, as a Consulting Board Member for the Santa Casa da Misericórdia's social fund "FUNDO PLUS", and a mentor for START UP LISBOA among others.</p>
	<p>Marc Nolla Harvey VP Strategic Engagements EMEA South</p> <p>With over twenty years' experience, supporting SAP customers across industries in the automation and improvement of their business processes. Leads the Office of Strategic Engagements in EMEA South, a team focused on advising top executives on business transformation. Expert on analysing, visualising and explaining the impact of disruptive technologies on business models, from the internet of everything to machine learning, from distributed ledger technology to the platform economy. With broad experience across many industries and geographies on finding the business, social and environmental benefits of transformation and helping organisations move from inspiration to execution.</p>
